

Yagna Yamala

Python Developer

yagnayamala@gmail.com | +91 9703292490 | DOB: 10 July, 2005

EDUCATION

B. TECH, CSE

Andhra Engineering College
2022 - 2026 | Atmakur
Percentage: 85%

INTERMEDIATE, MPC

Sri SaiRam Junior College
2021 - 2022 | Sangam
Percentage: 95%

SSC

GBKR ZPP High School
2019 - 2020 | Sangam
Percentage: 97%

SKILLS

PROGRAMMING

Languages:

- Python
- C • Java (Basics)
- Java Script

Tools:

- Git • GitHub • VS Code

Frameworks:

- Angular • React Js

Technologies:

- HTML • CSS • Django
- SQL • MongoDB

OTHERS

- Teaching
- Content Writing
- Public Speaking
- Exploring New Technologies

LANGUAGES KNOWN

- English • Telugu • Hindi

EXPERIENCE

VAARADA IT SOLUTIONS PVT. LTD | Python Intern

May 2025 - March 2026 | Nellore

- Developed a **Text Summarizer Application** using Large Language Models (LLMs) to generate concise summaries from input text.
- Applied testing skills using **Selenium** and **Postman** while exploring **Agentic AI** to improve automation and software reliability.

YBI FOUNDATION | Data Science and ML Intern

July 2025 - Sep 2025 | Online

- Developed a **Titanic Survival Prediction** model using Machine Learning techniques.
- Built and evaluated models using **Scikit-learn** to predict passenger survival.
- Achieved a score of **48/50** based on project performance and assessment.

PROJECTS

RETAIL STORE INVENTORY AND POS CHECKOUT APP | Python

PyQt5 | SQL

Problem Statement: Managing inventory and billing manually in retail stores is time-consuming and inefficient for tracking sales and stock levels.

- Developed a **Retail Store Inventory and POS** system to automate Stock management and Billing operations.
- Implemented features for product management, real-time stock updates, and checkout processing using **Linear Regression**

TITANIC SURVIVAL PREDICTION | Python | Machine Learning

Developed a **Machine Learning model** to predict passenger survival on the Titanic dataset.

ACHIEVEMENTS

- Earned **NCC B Certificate** in 10A Naval Unit, reflecting leadership, discipline, and commitment.
- Served as the **CSP Team Lead** and **Project Team Lead** in college and also captained the **Kabaddi** team to College-Level Championship.
- Participated in **Smart India Hackathon 2023** with a **Waste Management** project.

CERTIFICATIONS

2026	AWS Cloud Internship – Vaarada
2025	Python Programming – YBI Foundation
2024	Data Analysis and Decision Making – NPTEL
2023	Full Stack Web Development – Edureka
2025	Data Analysis – YBI Foundation
